COVID-19 LESSONS

CHART A PATH TO A BETTER HEALTHCARE SYSTEM

By Heather Hays, MD, and James Hays, MD

In this article...

The April 1, 2020, *Healthcare and Hospital Board* presented a high-quality healthcare system. Healthcare leaders should consider the lessons.

THE COVID-19 PANDEMIC OF 2020 HAS REVEALED THE STRENGTHS AND WEAKNESSES OF THE HEALTHCARE SYSTEM. THE SYSTEM HAS BEEN CHALLENGED BY THE PANDEMIC, AND THE SYSTEM HAS BEEN CHALLENGED BY THE PANDEMIC.

Healthcare leaders have been challenged by the pandemic. The pandemic has been a challenge to the healthcare system. The pandemic has been a challenge to the healthcare system. The pandemic has been a challenge to the healthcare system.
